

# 4 in a row

## CVC words

### To Play

**Need:**  
2 players, a die, 10-15  
coloured counters for each  
player.

**Aim:**  
To be the first to make a  
line of four vertically,  
horizontally or diagonally.

1. Player 1 throws a die,  
reads a word with the  
same number as the die. If  
read correctly counter  
stays, if not teacher says  
word and returns counter  
to child.
2. Player 2 takes their turn  
in the same way.
3. Players take turns and  
try to build a line of four  
while also trying to stop  
their opponent.

**N.B.** I usually play this  
game without dice. Just  
take turns!
