Laminate. Guillotine words. Scissor cut dotted lines. Store sets separately.

In words of 2 or more syllables the long vowel sound in the final syllable is usually made with a silent e.

**Silent e makes the vowel say its name**

**To use - 2 syllable e & silent e Jig Words**

- Place pieces in 2 coloured columns -
- Syllables are random within each column.
- Explain rule. Encourage child to look for same cuts.
- Child sounds and says each syllable on its own as he begins to place parts together.
- Child blends all parts to read whole word. Discuss unknown meanings.
