# Go Fish

## Syllables Rule 3
## VC/V

**Sometimes** when 1 consonant comes between 2 vowels we divide *after* the consonant.

This is the packs cover and rule cards.

# Rule 3

*Sometimes* when **1 consonant** stands between **2 vowels** the word is divided *after* the consonant. The **vowel** will be short – he'll make his **sound**.

**VC/V**

**Com / ic**

# Teaching Point

These are the exceptions to rule 2.

Now that the children know 3 basic syllable rules give them some **multi syllabic** words in **large print** to practise applying the rules. **Model** this for them beforehand.

**e.g. re/lo/ca/tion** = all rule **2**

**sat/is/fac/tion** = rules **3**, **1**, **1**.
